

Special Note

Schedules have been created using a new scheduling program with information you supplied regarding desired masses and service periods. Please check your availability and report any errors to Gerri Fritz 835-2110.

A list of substitutes will be available on the web site and we ask that you find your own substitute if you cannot take the scheduled Mass time. Thank you for your service and your understanding as we learn the problems of this new scheduling tool.

** We realize that a few of you on the schedule for February just served in January. We ask that if at all possible you act as ministers again this month. This will help with the continuity of the programs automatic scheduling features. If you need a sub, please call and we will assist you with your efforts. Gerri Fritz 835-2110 or Val Spies 835-1222.
