

Dear Parents,

We are not exactly ready to wind down the school year...yet! It seems busier than ever around here lately.

Calendar Events:

Thursday, May 19- **Camp Omega Trip**, leaving school at 8:15A.M. and returning Friday, May 20 at 2:30P.M. A packet of information will be coming home soon about camp and the time schedules.

Friday, May 27- is our **last day** of school, a 1:30 All School Mass is planned and will include a graduation ceremony for the 4th grade.

In between these events we will continue to have classes as usual whenever possible. We are finishing the year with a unit on the Life Science in Science.

In Religion we have finished our Easter studies this week and continue our final subject The Ten Commandments.

In Reading our final Theme is Nature: Friend and Foe which includes some nonfiction selections.

English lessons will cover pronouns, adverbs and prepositional phrases. Fridays all year long have been creative writing days. We went to the computer lab each Friday to work on such projects as our Science Fair reports, some examples of different forms of poetry, and we'll finish with some storytelling and a Bio Poem.

Sincerely,

Mrs. Michele Durbahn

P. S. Happy Mother's Day to all you SUPER MOMS!
